Figures in Cochrane Reviews

RevMan Web allows for the inclusion of additional figures in the main content of a Cochrane Review: these may be items produced in RevMan Web or be graphs or images from other sources (e.g. photographs).

Use the guidance provided in the <u>Considerations and recommendations for figures in Cochrane reviews: graphs of statistical data</u> and the <u>RevMan Web Knowledge Base</u> to ensure the published figures are appropriate. Please ensure that any figures you insert in the review are legible and clear and have an appropriate and accurate title.
