

Cochrane
TaskExchange

Why TaskExchange?

Because it should be easy to help out on an evidence project

Respond to a task on TaskExchange

login to TaskExchange

create your **profile**

browse the list of tasks to find the tasks that interest you

and when the task needs to be **completed by**

see what **reward** is offered

receive notifications when tasks are posted that are relevant for you

let TaskExchange **connect** you with people who need help

Success!
complete your task and help finish a project
