Revising the manual

The Cochrane Style Manual is revised in response to suggestions from users or from the Cochrane Style Manual Working Group. Updates respond to changes within Cochrane or to incorporate new standards. Major changes are recorded on the Latest changes page. A log of changes made between 2010 (version 4.1 of the Cochrane Style Guide) and July 2016 (when the Cochrane Style Manual was released in this format) is available at What’s new.

Suggestions for additions, clarifications or other improvements should be sent to ces@cochrane.org.
