

Declaration of interests form

Instructions: You should declare and describe any present or past affiliations or other involvement in any organisation or entity that might lead to a real or perceived conflict of interest. You should report relationships that were present during the last 36 months. You should declare potential conflicts even if you are confident that your judgement is not influenced. Further details can be found in Cochrane's policy on [conflict of interest and Cochrane Reviews](#).

Name: Geoffrey Hallmann

1. Financial interests

a) Received research funding: any grant, contract or gift, commissioned research, or fellowship from any organisation related to health care or medical research (for example Cochrane, a non-governmental organisation, a pharmaceutical or medical device company, a healthcare charity or a patient advocacy group) to conduct research?

No

Yes

If yes, please provide details:

h) Received royalty payments from an organisation related to health care or medical research?

No

Yes

If yes, please provide details:

2. Non-financial interests

Do you have any other interests that would reasonably appear to be related to the primary interest? Such interests could include, but are not limited to, publicly declaring any strong opinions about this health area, unpaid membership of committees, advisory

boards or patient advocacy groups in this health area, and being a named author of a study that might be included in this review.

No

Yes

If yes, please provide details:

I am chair of ME/CFS Australia. I am president of FNC ME/CFS association. I am principal content provider and founder of ME/CFS legal Australia + Global. I have advocated within these roles. I am a PhD candidate at Southern Cross University (on hold) and my research area is ME/CFS and its health issues and issues arising when interacting with social institutions. I declare that I do not agree that graded exercise therapy benefits persons with ME/CFS. I believe GET causes various harms.
