

Declaration of interests form

Instructions: You should declare and describe any present or past affiliations or other involvement in any organisation or entity that might lead to a real or perceived conflict of interest. You should report relationships that were present during the last 36 months. You should declare potential conflicts even if you are confident that your judgement is not influenced. Further details can be found in Cochrane's policy on [conflict of interest and Cochrane Reviews](#).

Name: Mike Clarke

1. Financial interests

a) Received research funding: any grant, contract or gift, commissioned research, or fellowship from any organisation related to health care or medical research (for example Cochrane, a non-governmental organisation, a pharmaceutical or medical device company, a healthcare charity or a patient advocacy group) to conduct research?

No

Yes

If yes, please provide details:

I am an academic researcher, who receives a salary and seeks research funding from a variety of funders. None of this funding is relevant to the topic of this review on ME/CFS.

b) Had paid consultancies: any paid work, consulting fees (in cash or kind) from an organisation related to health care or medical research?

No

Yes

If yes, please provide details:

I am an academic researcher, who receives a salary and seeks research funding from a variety of funders. I have done paid consultancy work for the World Health Organization. None of this funding is relevant to the topic of this review on ME/CFS.

c) Received honoraria: one-time payments (in cash or kind such as travel expenses) from an organisation related to health care or medical research?

h) Received royalty payments from an organisation related to health care or medical research?

- No
 Yes

If yes, please provide details:

I receive royalty payments from Springer for a book on bioethics in disasters.

2. Non-financial interests

Do you have any other interests that would reasonably appear to be related to the primary interest? Such interests could include, but are not limited to, publicly declaring any strong opinions about this health area, unpaid membership of committees, advisory boards or patient advocacy groups in this health area, and being a named author of a study that might be included in this review.

No

Yes

If yes, please provide details:
