The Council aims to ensure that Cochrane Groups retain an effective voice in Cochrane’s leadership and strategic decision-making. The purpose of the Council is to provide:
• A forum for Cochrane Groups to consider high-level matters affecting Cochrane as a whole;
• A mechanism to raise matters and provide input to the Governing Board on behalf of Cochrane Groups and members; and
• A forum to consider matters at the request of the Board and inform Board deliberations.

The following constituencies are represented by two seats each on the Council:

- Author Forum
- Co-ordinating Editors board
- Consumers Executive
- Early Career Professionals Network
- Fields Executive
- Geographic Group Directors Executive
- Information Specialists Executive
- Managing Editors Executive
- Methods Executive

Declarations of Interest:

Council members must declare conflicts of interest related to their role on the Council, which are published on the Cochrane Community website and are updated annually or when circumstances change: https://community.cochrane.org/organizational-info/people/conflict-interest/council. Participants at Council meetings are also required to declare any possible material interests that could give rise to conflict in relation to any item under discussion at the start of each meeting. All interests so disclosed are recorded in the minutes. Conflicted members may be required to absent themselves from all or part of the discussion of the matter at the discretion of the chair of the meeting.

Use of a Consent Agenda:

A consent agenda groups the routine, procedural, informational and self-explanatory non-controversial items typically found in an agenda. These items are then presented to the Council in a single item, allowing anyone to request that a specific item be moved to the full agenda for individual attention. Other items, particularly those requiring strategic thought, decision making or action, are handled as usual.

Consent agendas are used because they help streamline meetings and allow the focus to be on substantive issues. Not all agendas will have Consent Agendas – it depends on the papers under discussion.

Use of Live Captions on Zoom

Once the meeting has started, you can turn on the Live Captions by clicking on CC Live Transcript and then on Enable Auto-Transcription on the main Zoom toolbar at the bottom of the screen.

   **Key questions:** Casting forward to 3 years’ time:  
   • What is the purpose of the Council?  
   • Who does it represent?  
   • What is the membership? Size and composition. How do we find members?  
   • How does it engage with stakeholders, CET, Board?  
   **What questions does a consultant need to ask/issue they need to be aware of? (other than the history of Council which they will be given)**  
   **And if we get that far – practical questions:**  
   • How much time do Council members have to devote to Council matters? Meetings, talking to the Community, representation etc  
   • What would help with that engagement?  
   • Should stakeholders other than Community members have a place on Council?
